IN ORDER TO ENSURE THAT
EUROPEAN REGULATIONS ARE
NOT AN OBSTACLE, WE ARE
WITH YOU EVERY STEP OF THE
WAY

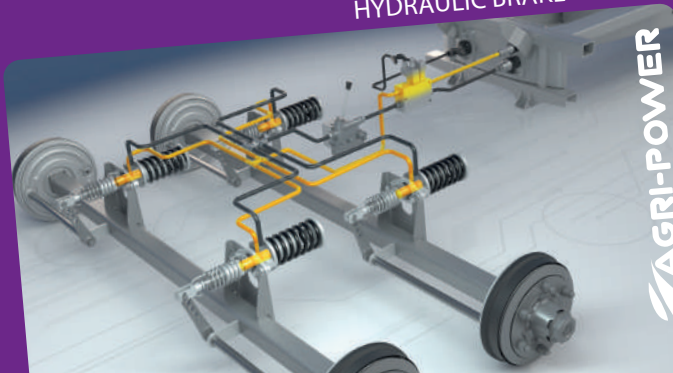

Braking on agricultural
equipment have evolved
towards dual line circuit
braking: pneumatic and
hydraulic our system
is the perfect answer
for hydraulic brakes.

OEM SOLUTIONS

A key partner for agricultural equipment manufacturers

We assist our customers in the Research & Development with the support of our design office. We design and manufacture all components for your equipments.

A team of technical experts with in-depth knowledge of their ranges is available to meet to the requirements of each manufacturer, in France and throughout Europe..

We support you in the development of your components according to a specific methodology.

MANUFACTURING WORKSHOP & FORGE

We are able to develop various products adapted to your specific needs.
